

Breakfast Pre-order Instructions

Instrucciones para encargar el desayuno

Just like when you order Lunch, choose/click the Meal Period you want to order. You can order both Breakfast & Lunch by clicking both, but there is less chance for a mistake if you do so one at a time. *Al igual que cuando pide el Almuerzo, elija/haga clic en el Período de comidas que desea pedir. Puede pedir tanto Desayuno como Comida haciendo clic en ambos, pero hay menos posibilidades de error si lo hace de uno en uno.*
