Supplies Wanted For The New STEM Lab

This fall, we have been setting up the new STEM Lab at St. Mary Campus. The STEM Lab will be used by all of the grade levels at St. Mary Campus as they explore the STEM fields of science, technology, engineering and math!

We have put together a wish list of supplies that we would like to have for the STEM lab. The list of supplies can be found here: <https://www.signupgenius.com/go/10C0945A4A82BA6FA7-stmary3> Donated supplies can be turned in at the office. Please mark them

"STEM Lab." Thank you!!!

Coaches/Coordinators Needed For Chess Club and Forensics

place.

We are looking to re-establish a Forensics Club for grades 6-8 and, for the first time, form a Chess Club for grades 3-8. In years past, we had an outstanding, and award winning forensics program. Our former coach/coordinator, Dean Chyla, is willing to be an assistant coach this year to help a new coach/coordinator restart the program. The Forensics Club would begin as soon as we have a coach/coordinator in

We are also looking for someone to act as a coach for a Chess Club that we plan to start in January. An ideal coach would be able to manage the instructional side of the Chess Club,

teaching the students both the fundamentals of chess and different strategies. Other individuals have already stepped forward to help with organizing the club.

Anyone who is interested in helping in these roles can contact Mr. Heinecke at jheinecke@waukeshacatholic.org. All individuals helping with either of these programs must be fully compliant with the Archdiocese's Safe Environment requirements.
