AM Drop Off on Newhall

Important Request Regarding Morning & Afternoon Dismissal

We have noticed an increasing number of students being dropped off in the morning at the main school entrance on Newhall Ave. For safety reasons, please **do not** drop off your student at the main school entrance **before 8:30am**. Instead, please use carline so that we can keep the front of the building clear for our busses.

The only students who should use this entrance are those that arrive to school by bus, walk to school, or are part of the Mass choir on Wednesday's. After 8:30, when carline is over, you may drop off your student at the main entrance.

Afternoon Dismissal:

For the safety and security of our students, all students who are not walking home or leaving by bus should be picked up in carline. We are aware that some of our students are leaving school as "walkers" only to be picked up in the surrounding area by car. We urge our families to discontinue this practice. It makes it difficult to manage the safe departure of students who are walking home. From start to finish, the St. Mary's carline takes 10 minutes. It's a small sacrifice to help keep our students safe.
