Parent Volunteers Needed For St. Mary Campus Field Day - June 9

St. Mary Campus will be holding a Field Day for grades 3-7 during the morning of Thursday, June 9, and we need many parents volunteers to help run the events we are planning. Volunteers are needed from 8:30am to approximately 12:30pm and most parents will be stationed outside.

If you can help us with what should be a fun and exciting morning for the students, please sign up using this link: <https://www.signupgenius.com/go/10C0945A4A82BA6FA7-field>

(Re)introducing Linked groups at St. Mary Campus

Linked mentor groups were started a few years ago at St. Joseph Campus and are now being reintroduced at St. Mary Campus for grades 3 to 8! The purpose of the Linked groups is to give students a chance to interact with students from other grade levels and do fun activities together in a smaller group setting. Students stay with the same group of students and staff leader(s) each year until they graduate from 8th grade. Linked groups meet one to two times a month for different activities including eating lunch with each other, fun games and small group lessons that give students a chance to talk, connect, and bond as a group.

Students met with their Linked groups today, and after introducing themselves, spent some time planning for next week's Field Day where the Linked groups will be competing against each other. It should be a lot of fun!

If you have any questions about Linked groups, please contact Mrs. Kriesel
