**Wednesday Packets**

The plastic folders that you received at packet pick up are the family packets that go home every Wednesday to the youngest child of every family. The Campus Connection can be read online each week. Please read the Campus Connection and any other weekly material contained within the packet to stay informed. Sign the signature sheet and return the packet to confirm that it was received. The Campus Connection is available on the system website: [www.waukeshacatholic.org](http://www.waukeshacatholic.org), and then click on the newsletter tab. We will still send home the plastic folders with all additional materials that need returning to school. ***If you still have the plastic folder, please return it to school with your child.***

### **Car Line Information**

Thank you to all of our families who have been using our morning and/or afternoon carline. We appreciate all of your patience as we all re-familiarize ourselves with how our carline operates. It has been running smoother and smoother each day!

I did want to share a few requests that will help the St. Mary Campus carline run more efficiently and safely.

- 1) To help our staff know which students to call to the loading area during our afternoon carline, all vehicles should display the student's last name in the window. If you would like a laminated sign for your vehicle(s), please email Mrs. Dunk ([ddunk@waukeshacatholic.org](mailto:ddunk@waukeshacatholic.org)) with the number of signs needed and we will send them home with your student.
- 2) Please do not park over the sidewalk at the entrance to the parking lot. We need to keep it clear for people using it, and it makes it difficult for cars to turn into the other lines.
- 3) When entering the carline, please pull up close behind the person in front of you. This allows us to have more cars in the parking lot and fewer cars waiting on the street.

Thank you parents for all that you do to help with our carlines!
