Arise Family Adoration

No School ---- Monday, March 4

Teacher In-Service

Vision Screening

Prevent Blindness Wisconsin will have volunteers at SWC on March 8 to conduct vision screenings for all K3, K4 and K5 students and any first and second grade students that a teacher or parent request to be screened. If you would like your first or second grader to receive a free vision screening here at school, please contact Wendy Brown at wbrown@waukeshacatholic.org or 262.896.2929 x5100.

Boots

As the weather warms please continue to send boots with your child. Having boots allows us to be on the playground more. There are times when students without boots will need to stay on the sidewalk while those with boots will be allowed on the play equipment and grassy areas.

Stations of the Cross

Students at SWC will participate in Stations of the Cross during Lent. They will experience Shadow Stations from SMC via live stream on Thursday, February 29. On Friday, March 8 the Stations of the Cross will be presented at 2:45 in the church by first graders. The second graders will lead us in the Stations of the Cross in church at 2:45 on Friday, March 22. You are welcome to join us when the stations are presented by the First and Second Graders.

Living Life with Leo Books

Local author, mother and St. William parishioner, Diane Nienas, visited St. William Campus on February 22nd for a read aloud of her children's book series "Living Life with Leo". If you would like to order a signed copy of any of her "Living Life with Leo" books, please return the book order form that was previously sent home no later than Thursday, March 7. If you need a new form please contact Wendy Brown at wbrown@waukeshacatholic.org

SPIRIT WEAR

The Waukesha Catholic Booster Club is running a spring spirit wear sale now through March 13th. Items are available at: <https://www.kmsportsusa.com/waukesha-catholic/>
If you have questions, please contact Rebecca Harvey, Booster Club President at: rlharvey28@gmail.com

Waukesha Catholic's annual **STEM** OPEN HOUSE will be held on Thursday, March 14th at St. Mary Campus from 4:00-6:00PM. This is a drop-in event for ALL ages and parents to learn about and try out several **STEM** activities. The **STEM** Open House will be held in the gym. We look forward to seeing you!
