## March Non-Uniform Day

The non-uniform day for March was inadvertently left off of the SWC March calendar that was sent home last week. Thursday, March 14 will be a non-uniform day.

## Vision Screening

Prevent Blindness Wisconsin will have volunteers at SWC on March 8 to conduct vision screenings for all K3, K4 and K5 students and any first and second grade students that a teacher or parent request to be screened. If you would like your first or second grader to receive a free vision screening here at school, please contact Wendy Brown at [wbrown@waukeshacatholic.org](mailto:wbrown@waukeshacatholic.org) or 262.896.2929 x5100.

## Boots

As the weather warms please continue to send boots with your child. Having boots allows us to be on the playground more. There are times when students without boots will need to stay on the sidewalk while those with boots will be allowed on the play equipment and grassy areas.

## Stations of the Cross

Students at SWC will participate in Stations of the Cross during Lent. On Friday, March 8 the Stations of the Cross will be presented at 2:45 in the church by first graders. The second graders will lead us in the Stations of the Cross in church at 2:45 on Friday, March 22. You are welcome to join us in church when the stations are presented by the First and Second Graders.

## Living Life with Leo Books

Local author, mother and St. William parishioner, Diane Nienas, visited St. William Campus on February 22<sup>nd</sup> for a read aloud of her children's book series "Living Life with Leo". If you would like to order a signed copy of any of her "Living Life with Leo" books, please return the book order form that was previously sent home no later than Thursday, March 7. If you need a new form please contact Wendy Brown at [wbrown@waukeshacatholic.org](mailto:wbrown@waukeshacatholic.org)
