WELCOME

Dear Friends,

Welcome to Waukesha Catholic's Annual Dinner and Auction! Our theme for this evening's event celebrates the thrill and excitement of live game shows, as well as our love of traditional board games. Playing games brings families and friends together by adding joy and fun to our lives. This evening, it is with this same excitement that we look forward to celebrating and having lots of fun with you—our Waukesha Catholic Family. I hope that you will enjoy tonight's *Game On!* Dinner and Auction.

Proceeds from our fundraiser benefit every single student attending Waukesha Catholic! Tuition alone does not cover the cost of educating a child, so your help this evening is critical to our mission. It is because of your financial support—tonight, and throughout the year—that we are able to instill faith and inspire futures by nurturing each child's gifts with an education rooted in the Gospel values and a culture of community, compassion, and love.

It is because of you—our parents, grandparents, alumni, parish leaders, faculty, staff, parishioners, friends, and community partners—that we are able to continue the work that we do and provide our children with a high-quality Waukesha Catholic education. Your generosity this evening will help ensure that we can continue to attract and retain the best and most talented faculty and staff, while we invest in resources that are critical in preparing our students for the future, all while providing our students with a safe learning environment.

While you are enjoying the company of friends, please remember our dedicated volunteers who have spent countless hours preparing for tonight's event. We are grateful to everyone who has helped make this evening a huge success, especially our Auction Planning Committee. Also, none of this would be possible without the commitment and support of our corporate partners! Thank you to our sponsors, our advertisers, and individual donors—many of whom have been supporting our auction for years. Please join me in thanking them for their ongoing support of our mission and commitment to our children!

Tonight, with your generosity, we hope to raise \$140,000 for important funding that we need for essential school security and safety upgrades, classroom materials, academic programs, teacher salaries, and so much more. Please keep all of this in mind when you are playing our "Best of Live Auction" Punch Wall Game, purchasing cash/tuition raffle tickets, bidding on our silent and live auction items, and raising your paddle during our Fund-a-Need for school safety and security upgrades. Tonight... The price is right!! So please give, and please give generously!

May God bless you for your generosity and support of the students of Waukesha Catholic!

With gratitude and heartfelt appreciation,

Lisa Kovaleski

IMMEDIATELY FOLLOWING LIVE AUCTION: FUND-A-NEED

Each year our auction guests are invited to support our students with a very important Fund-a-Need. Because of your financial support, we have Chromebooks for each of our students, flexible seating options, two beautifully renovated campuses, updated social studies resources, and more! Last year, you helped our hardworking teachers receive much-needed items from their Wish Lists. Thank you!

During our recent renovation, significant security and safety improvements were completed and for that we are grateful. With the help of our local police department, we continue to regularly evaluate our Emergency Response Procedures. Best security and safety practices dictate that we do everything in our power to prevent an intruder from entering the school building.

After a recent evaluation, several security and safety recommendations have been brought to our immediate attention. Although Waukesha Catholic is a very safe school, it is of utmost importance

for us to do whatever we can to keep our children safe while they are in our care. Waukesha Catholic has therefore been increasing its focus on safety and security at both of our campuses. We are very much in need of surveillance cameras for the outdoor perimeter of our two campuses, additional key fob door entry systems, a visitor management system, fencing, and other recommendations.

After the Live Auction, please enjoy a very special video about our Fund-a-Need for essential school safety and security upgrades at both of our campuses. Your donation will significantly benefit every student here at Waukesha Catholic. By making a tax-deductible gift in any amount, you will have a direct and positive impact on all our students. The cost for such improvements can run in the tens of thousands of dollars. Now more than ever, we need your help!

Thank you for your generosity and for your dedicated commitment to our school, our students, our teachers, and our mission!
